## Curriculum Vitae

# Aase Kristine Aasen Lundberg

Office address:	Private adresse:
Nordlandsforskning	Bukken bruse 13b, 8028 Bodø
8049 Bodø	Mob: +47 91 36 29 62
Work: +47 75 41 18 19	Nationality: Norwegian
E-mail: akl@nforsk.no	Born: 16.10.1983

## KEY QUALIFICATIONS

Social science perspectives on environmental governance, covering both nature conservation and spatial planning at local and regional level. This includes a focus on legitimacy and conflict in different collaborative arrangements and a special interest for gender perspectives on community involvement and public participation.

## EDUCATION

2011 – 2017	PhD program in Society, Development and Planning, Norwegian University of Life Sciences, Faculty of Landscape and Society. PhD thesis titled “Handling legitimacy challenges in conservation management: case studies of collaborative governance in Norway.” Public defense 11.07.2017.
2007 – 2009	Master in Human Geography, University of Oslo, Department of sociology and human geography. Specialization in urban geography. Master thesis: «We’re not a group of united anarchists» A case study of Svartlamon as a pilot project for urban sustainability.
2006 – 2007	Bachelor in Human Geography, University of Oslo, Department of Sociology and Human Geography.
2005 – 2006	Year Program in Development and Environment. University of Oslo, Center for Development and the Environment (SUM).

## PROFESSIONAL EXPERIENCE

2017 – to date	Senior Researcher, Nordland Reseach Institute (Nordlandsforskning).
2016 – 2017	Guest Researcher, Center for Women’s and Gender Research (Kvinnforsk), UiT – The Arctic University of Norway.
2011 – 2017	PhD fellow, Norwegian University of Life Sciences, Department for Urban and Regional Planning.
2009 – 2011	Advisor, Nordland County Council, Department for Culture and the Environment.

2008 – 2009 Information consultant, University of Oslo, Department of Communication and Student Information.

## **TEACHING, SUPERVISING AND CENSORING**

2018 – External censor (master thesis, BA- and PhD-courses): NTNU, Department of Geography; Nord University, Faculty of Social Science; NMBU, Faculty of Landscape and Society

2013 – Co-supervisor of 4 master students (2013, 2014 and 2018), Norwegian University of Life Sciences, Faculty of Landscape and Society, Department of Urban and Regional planning

2011 – 2014 Course coordinator and lecture for “Environment and Planning” (10 ECTS), Norwegian University of Life Sciences, Department of Landscape Architecture and Spatial Planning.

## **ONGOING RESEARCH PROJECTS**

2019 – UNSDG17 in Nordland: Integrating and implementing the UN’s Sustainable Development Goals in Nordland County’s planning strategy. Project leader. Nordland County Council.

2019 – SEQUAL: Social-ecological relations and gender equality: Dynamics and processes for transformational change across scales. Principal Investigator, GENDER-NET Plus Cofund

2019 – Foodcoast: Coastal foodscapes: a place-based perspective on heritage rooted in coastal ecosystems. WP-leader, MILJØFORSK, Norwegian Research Council.

2018 – ByLiv: Bærekraft og livskvalitet i den grønne byen. Project leader, Nordland County Council.

2018 – PARKAS: Building trust to environmental policy as catalyst for a green transition. WP-leader. MILJØFORSK, Norwegian Research Council

## **PREVIOUS RESEARCH PROJECTS**

2018 – 2019 SMURF: Urbanism in small and medium sized cities in the North. Project leader, Regionale forskningsfond Nord-Norge, Norwegian Research Council.

2017 – 2019 FlexiRein: Flexibility in reindeer husbandry: barriers and possibilities for sustainable development in reindeer husbandry in Nordland. Reindriftens Utviklingsfond, Norwegian Agricultural Agency.

2017 – 2019 ACIDCOAST: Adapting Coastal Zone Management to Ocean Acidification. MARINFORSK, Norwegian Research Council.

2011 – 2014 REINMAN: Regional planning and wild reindeer management. Miljø2015, Norwegian Research Council.

## **MEMBERSHIPS OF ACADEMIES / SCIENTIFIC SOCIETIES:**

2019 - Member on Scientific Board, Tidsskrift for Kjønnforskning (The Journal of Gender Research)

2017 – Board member, the ELSA-network for ethnicity, gender equality and social responsibility at Nord University, Bodø.
